9 ARTIST SIDE (IMPACTS YOU)

- ☐ Profile: type, lineup, styles, gear, radius, blackouts
- ☐ Search Gigs auto-defaults to profile; auto-applies filters
- ☐ Books → contract fires → both sign, no phone tag
- ☐ Multi-artist users — one account, 2+ projects
- ☐ Frequency limits enforce your booking cadence
- ☐ Waitlist for recurring/popular gigs
- ☐ Blackout dates auto-excluded from your blasts
- ☐ iCal export + auto reminder emails

☐ **Talking points:** lead with **time saved** (auto-payout, auto-contracts, auto-blast) and **risk reduction** (frequency limits, blackouts, contracts, dispute mediation). Free-trial toggle lets them try before adding a card. Show the calendar early — it's the "wow" moment.
